Play and Positivity on Prescription

Its professional work - Play has consequences

- Is it quality or not – is it for all children ?
- It has success
- It has failure

Remember :

- Play for the child
- Play for the family
- Play for the whole team supporting the child and family through their health care journey
- Play for targets & commissioners (service specification)

Play and Positivity on Prescription: How do we deliver this?

- Registered Practitioners or play assistant working with registered practitioners
- Qualification
- Code of Professional Conduct
- NAHPS Professional Standards
- CPD – Reflect
 - Acknowledge skills and gaps
 - Learn
 - Share
 - Contribute today and tomorrow

Play and Positivity on Prescription

Some will say today : will think or say we do that,
we do it better.

We need to tell and share our stories and be proud of
our profession and the work we do, we are the only
professional who can do this.

Today we can thank

Play staff who organise conferences

Play staff who present

Play staff who develop Posters for conferences

Play staff who publish - NAHPS Journal
